February 2020

Summer Mosquito Control Workshops!

June 2-5, 2020

The goal of these workshops is to provide training necessary to help deal with community mosquito control problems, including NPDES issues. Topics to be covered include mosquito biology, larviciding, adulticiding, pesticide safety, NPDES regulations and public relations. These workshops are open to all interested individuals. The educational portion for all four workshops will be from 9:00 am to 1:00 pm. Calibration and droplet testing of spray trucks will occur in the morning at each site. Registration will begin at 8:30 am. Lunch is included with each registration! Workshop registration fees and dates are listed on the *Registration Form (page 3)*.

Mosquito Control Grants Available!!

The NMVCA is providing
Two grants for \$500 each.

Past applicants are encouraged to apply. Eligible to receive grant every 5 years.

DUE BY APRIL 2, 2020

Grant funds are to be used to assist mosquito control agencies or communities in conducting mosquito control operations. Grants are specifically to be used for equipment, chemical or surveillance purchases. Grant criteria and the application form will be available on our website. All grant allocations will be at the discretion of the NMVCA Board. *Application Form is included in this Newsletter.* Please contact a NMVCA Board member for details or see the website: www.nemosquito.org

Winter is the time to plan for the upcoming season!
The NMVCA can help with your planning and questions.
