April 2020

The 2020 Summer Workshops have been CANCELLED!!

The NMVCA Board has decided to cancel the Summer 2020 Workshops due to the Covid 19 Pandemic.

The cancellation includes the Educational portion and the machine calibrations.

- Communities that had already registered and paid can receive a refund, or if they are willing to prepay for the 2021 spring workshops, they could receive credit toward that event. Those details can be worked out with Marg, NMVCA Treasurer, as needed. Marg's # 402-944-7404
- Calibration opportunities and/or events that might become available this summer will be considered, and communicated accordingly.
- If you have not provided NMVCA with email contact information, this would be a good opportunity. Emails may be the most efficient and timely method to contact members.

Please contact a NMVCA Board member if you have further questions.

Stay safe!
