New Dates Set for the 2010 Spring Mosquito Control Workshops !!!

The Nebraska Mosquito and Vector Control Association (NMVCA) will be sponsoring its annual Mosquito Control Workshops in June 2010. The goal of these workshops is to provide training necessary to help deal with community mosquito control problems.

The mosquito control workshops will be held in Lincoln on June 8th; in Burwell on June 9th; in Kearney on June 10th; and Gering on June 11th. The educational portion for all four workshops will be from 9:00 am to 1:00 pm. A Van Diest sponsored calibration and droplet testing of spray trucks will occur in the afternoon at each site. Registration will begin at 8:30 am. Lunch is included with each registration! The workshops this year will have an emphasis on larviciding and adulticiding mosquito control efforts, techniques and products.

These workshops are open to all interested individuals. Workshop registration fees are listed on the registration form (page 3). Pre-registration is requested but payment for all fees can be made at the door. All checks must be made payable to the NMVCA and payment must be made no later than the day of the workshop.

Mosquito Control Grants Available!!

The NMVCA is providing
Two grants at \$500 each.

Grant funds are to be used to assist mosquito control agencies or communities in conducting mosquito control operations. Grants are specifically to be used for equipment, chemical or surveillance purchases. Grant criteria and application form will be available at our website. All grant allocations will be at the discretion of the NMVCA Board. Please contact a NMVCA Board member (page 2) for details or see the website: www.nemosquito.org
